From

The Inspector General of Police

The Chief Secretary to the
Government of Mysore.

SIR,

With reference to Government Proceedings No. 1479-80 G. 66-92 of the 22nd ultimo in which the Government disapprove of the recommendation to grant a money reward to a constable but sanction it "nevertheless as the Inspector General has taken the trouble of recommending it &c.," I have the honor to submit that the remark under quotation marks appears to me to imply that this office had made the recommendation without sufficient consideration.

2. From copy of the Deputy Commissioner's letter No. 583 dated 22nd December 1892 herewith forwarded, however, it will be seen that the circumstances under which the constable detected the case were exceptional. He is said to have been off duty at the time.

3. In spite of this recommendation, the Deputy Commissioner was told that money reward was not proper for constables and that a good mark might be sufficient. The Deputy Commissioner replied that a money reward was recommended to the constable as he could not

promoted having been recently fined and awarded a black mark and the award of a good mark was not considered a sufficient reward for his good work in the case. It was on this that the case was reported for the consideration of Government.

4. Q. If in the light of what this office has done to satisfy itself regarding the propriety of the reward recommended Government are pleased to consider that the reflection on the Inspector General is not deserved, I shall feel thankful for a revised order being sent which I could forward in usual course to the Deputy Commissioner in reply to his letter.

5. I may be allowed to remark here that in Madras the Inspector General has power to grant rewards to Policemen up to a limit of Rs. 50, without reference to Government. I shall take an early opportunity of addressing Government on this question as the present practice entails needless work both on this and the Dewan's office.—

I have the honor to be
Sir,
Your most obedient Servant.

SIR,

With reference to your docket No. 5729/1628 dated 23rd September 1893 on the subject of sanctioning expenditure on account of rewards for good service in the Police department, I have the honor to state that the standing orders on the subject are contained in para 2 of Government Proceedings No. 5039-48 Cir. 105 dated 11th August 1890 as explained by Proceedings No. 12620-1/1659 dated 11th February 1891. Under these orders, it becomes necessary that every case, in which even small rewards have to be sanctioned, has to be brought to the notice of Government, entailing a lot of correspondence out of all proportion to the charges involved or the importance of the case. It is therefore now requested that a ruling be sanctioned, empowering the Inspector General of Police to sanction rewards for good service to the Police or others to the extent of Rs. 50 in each within the amount of the Budget grant under Rewards for Good S. A draft order is submitted as required in your docket under reply.—

SERIAL No. 10

Proceedings of the Government of His Highness the Maharajah of Mysore (Financial) dated 1893

Correspondence ending with letter No. 2721/302 dated 18th March 1893 from the Inspector General of Police in Mysore, regarding his powers of sanctioning expenditure under "Rewards for good Service".

Read also—

Inspector Generals' letter No. 1689/179 dated 18th November 1893, on the same subject.

Order thereon No. 15858-86/2 J.F. 371-92 Dated Bangalore 19th March 1894

The Inspector General of Police represents that the standing orders under which all expenditure under "Rewards for good Service" require the sanction of Government, involve unnecessary correspondence — and requests that he may be empowered to sanction such rewards within certain limits without reference to Government.

In supersession of previous orders on the subject contained in the marginally noted proceedings, the Government are pleased to authorize the Inspector General of Police in Mysore to pay without reference to Government rewards for good Service in his department to the Police or others to the extent of Rs. in each case, within the amount of the Budget grant under "Rewards for good Service".
